

ACKNOWLEDGEMENTS

In response to multiple technical assistance requests received by ADAPT asking for guidance on how to integrate fentanyl education and naloxone training into schools according to the best available evidence, ADAPT commissioned a **Youth Opioid Prevention Workgroup** in the summer of 2024 to review the science and offer considerations for how schools and their community partners can achieve this for the purpose of preventing opioid use in school-aged youth.

Workgroup Members

Holly Alperin, EdM

University of New Hampshire

Kris Bosworth, PhD

University of Arizona

Pamela R. Buckley, PhD

University of Colorado, Boulder

Michael L. Hecht, PhD

REAL Prevention, LLC

Wasantha Jayawardene, MD, PhD

Southern Illinois University

Robert LaChausse, PhD

California Baptist University

We also wish to acknowledge Emily Delos Santos for serving as a project assistant with the workgroup and for her support in preparing the document.
